One group. Five focused businesses.

MUFAST Group brings together businesses in farmhouse development, healthcare services, construction materials, livestock farming and property construction and maintenance. Each business has a distinct role under the MUFAST name, serving the everyday needs of individuals, families and businesses.

The portfolio includes a farmhouse project in Gajwel, Telangana, and a construction and property maintenance business in Riyadh, Saudi Arabia, alongside pharmacy and phlebotomy services, precast and brick supply, and sheep and poultry farming.

MUFAST Gold

FARMHOUSE PROJECT | GAJWEL, TELANGANA

MUFAST Gold is a farmhouse project in Gajwel, built around the idea of a personal country home. It brings together private land ownership and farmhouse construction, with optional farming activities and access to the MUFAST sheep farm under the project's agreed terms.

Focus: Country-home ownership and a closer connection to farm life.

MUFAST Healthcare

PHARMACY & PHLEBOTOMY

MUFAST Healthcare combines a pharmacy business with phlebotomy services, supporting access to medicines and blood sample collection for diagnostic testing. It brings these everyday healthcare needs together within a focused service offering.

Focus: Pharmacy services and blood sample collection.

From farm life to the built environment.

Focused businesses, each with a clear purpose.

MUFAST Livestock

SHEEP & POULTRY FARMING

MUFAST Livestock operates a sheep and hen farm, bringing together sheep rearing and poultry farming under the MUFAST name. The business represents the group's dedicated farming activity, with a focus on the care and day-to-day management of its livestock and poultry.

Focus: Sheep rearing and hen farming.

MUFAST Precast & Bricks

CONSTRUCTION MATERIAL SUPPLY

MUFAST Precast & Bricks supplies precast products and bricks for construction requirements. Its role within the group is to provide these building materials to customers undertaking construction projects.

Focus: Precast products and brick supply.

MUFAST Property Management

CONSTRUCTION & MAINTENANCE | RIYADH, KSA

MUFAST Property Management is a construction and maintenance business based in Riyadh, Saudi Arabia. Its scope brings together property construction work and ongoing maintenance, supporting customers as they build and care for their properties.

Focus: Property construction and maintenance in Riyadh.
